Adept Engraving LLC has been working with thousands of organizations throughout the country, helping them to raise funds for various causes through That's My Pan!" Fundraisers. We are now offering personalized bricks to further the success of our fundraising organizations. Our bricks are great for plazas, memorials, walkways, and anywhere else you use bricks! Show your support by personalizing a brick today!

The Marking Process

That's My Brick![®] uses a patented, laserbased marking process that produces a layer of black, fused glass on any color surface of the brick or tile. The marks are flush with the surface of the brick or tile, which means less maintenance and no chance of wear-based damage.

All samples passed each of the ASTMspecified test conditions (Freeze/Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that bricks marked with our process and installed properly in your project will last longer than our lifetimes.

Building for Future Golfers One Brick at a Time

About Our Fundraiser

The Armitage Ladies Golf Association (ALGA) will celebrate 50 years of golf at Armitage Golf Course in Hampden Township in the year 2024. We are sponsoring a "Buy a Brick" fundraiser to support the Golden Jubilee of this historic achievement. The name of our fundraiser is "Armitage Pathway of Memories" and will be built from bricks donated by you.

All bricks can be purchased by the general public for many different circumstances such as *"in memory of"* for those who have gone before us, *"in honor of"* for those who are still with us, or *"sponsored by"* for those wishing to have their name(s) on a brick to support the ALGA and their Golden Jubilee.

The timetable for your brick order and installation is as follows:

- Your credit card will be charged when brick is ordered
- Your brick will be printed and delivered to the Armitage Golf Course in early 2025
- Bricks will be installed Spring of 2025.
